Sustainable Bond Management Process

Standard Credit Process

- Local business and supporting units gather the relevant information for identifying potentially Eligible Loans
- All potential Eligible Loans are granted in accordance with the Association's implemented credit processes, ensuring compliance with national rules and regulations as well as internal policies and procedures
- Based on the risk strategy, ESG risk factors are also taken into account in the credit processes

Pre-Screening

- The Sustainable Bond Team is part of VBW's Treasury Division and is responsible for:
 - Analysing and monitoring of all data required for the evaluation and selection of Eligible Loans and
 - Management of the Green, Social and Sustainability Bonds on a portfolio basis
 - Proposing a list of Eligible Loans to the Sustainability Bond Committee. New Eligible Loans shall be aligned with the most recent version of the Framework

Selection of Assets

- The Sustainability Bond Committee is part of VBW's Sustainability Committee. It is responsible for:
 - Ensuring that potential Eligible Loans are aligned with the categories and eligibility criteria as specified in the Use of Proceeds
 - Safeguarding that the proposed allocations are aligned with the relevant general company policies and Bank's ESG strategy
- Allocated Eligible Loans will be flagged within the core banking system and monitored on an annual basis

Reporting

- VBW has the ambition to publish an Allocation and Impact Report on a portfolio basis that provides information on the environmental and social impacts of the Eligible Green and Social Loan Portfolio highlighting the progress on allocation of use of proceeds.
- The Sustainability Bond Committee is in charge of approving the Allocation and Impact Report prepared by the Sustainable Bond Team
